Mr. Williams strikes at the old management of the suspended Knickerocker Trust Company by recommending a change in the law so that any officer or employee of a trust company who makes any agreement by which the or at least a woman answering her receive payment in advance of its mawho has been riding for five holder of a certificate of deposit may los Richards, an American

Plenty of Time.

"Except in the case of the Knicker-booker Trust Company," he reports, "no proceedings for the appointment of receivers of an institution were taken until three weeks after its suspension nor unless its officers and directors, after due notification, failed to submit plans and assurances sufficient to justify the inference that it would be able to resume business. Only three banks out of the ten, having shown a condition to warrant a continuance of business, were authorized to resume."

Mr. Williams says that the lack of public confidence has found justification in the condition of some of the failed institutions.
